

**WHM Capital Advisors and A.Q.U.A. Capital Technologies Release New Website for the A.Q.U.A.® Suite of Applications:
A Fluid Look at Illiquid Assets**

For Immediate Release

Columbia, SC - A.Q.U.A. Capital Technologies' flagship offering, A.Q.U.A.® was created in 2002 by the President and CIO of WHM Capital Advisors as an on-line application designed to examine the stock price movement of the private business asset. A.Q.U.A. Capital Technologies was made independent in 2008 in order to make its existing technologies and design capabilities available to a broader set of financial services professionals.

A.Q.U.A.® provides trends in value over time, as well as scenario analysis as a management tool for capital needs decision making. To see the A.Q.U.A.® demo, visit www.aquacaptec.com.

WHM Capital Advisors is a financial advisory firm providing research, analysis and advice to a diversified global client base that includes institutions, corporations and high-net-worth individuals. Founded in 2002, the firm's areas of expertise are valuation consulting, succession planning, mergers and acquisitions advice and investment management. In addition, the firm has a related technology company that designs applications to analyze complex financial issues for clients. WHM Capital Advisors is headquartered in Columbia, SC. Its web address is: <http://www.whmca.com>.
