

WHM Capital Advisors Announces New Hire

Columbia and Hilton Head, SC - WHM Capital Advisors is pleased to announce that Stuart Wilbourne has joined the firm as Managing Director.

Prior to joining WHM Capital Advisors, Mr. Wilbourne most recently served as City President and Client Advisor of Private Wealth Management in Hilton Head Island, SC. He has 28 combined years of experience in the financial services field and has spent the last 12 years in the Wealth Management arena.

“Stuart’s broad array and many years of experience make him an excellent addition to the team. We are sure he will benefit both the firm as a whole and our clients” said Bill McAfee, President of WHM Capital Advisors.

Mr. Wilbourne will be establishing a Hilton Head Island, SC office for WHM Capital Advisors with the intention of further expanding the firm’s wealth management and other advisory services.

WHM Capital Advisors is a financial advisory firm providing research, analysis and advice to a diversified global client base that includes institutions, corporations and high net worth individuals. Founded in 2002, the firm’s areas of expertise are in valuation consulting, succession planning, mergers and acquisitions advice and investment management. In addition, the firm has a related technology company that designs applications to analyze complex financial issues for clients.
